Statement of the Czech Rectors Conference Presidium to support the Minister of Education, Youth and Sports

Prague, 16 May 2017

The Czech Rectors Conference Presidium appreciates the way in which the Minister of Education, Youth and Sports has drawn political responsibility in connection with the accusation of the former deputy.

In view of the fact that only a few months remain to the end of the term of office of the Government of the Czech Republic, the Czech Rectors Conference Presidium would welcome if the Minister Kateřina Valachová stay in her office and complete the most important parts of her agenda, especially the implementation of the amendment to the Higher Education Act and the preparation of the departmental part of the state budget for 2018.

The Minister has our full support in this respect.
